Welcome to **Oslo!**

On behalf of The Norwegian Control Committee for Fundraising, we would like to welcome you to the 2016 ICFO Conference:

Confidence & Trust

The world of fundraising is an exciting field to work in. Meanwhile, a prerequisite for all nonprofit activity is trust. Reputation is crucial if you want to reach the goals that you have set for your organization.

Ethical guidelines are necessary, but by themselves not sufficient to ensure trust.

The aim of the conference is to identify the challenges that we face. How can both organizations and the regulatory agencies easier plan for their reputational risks?

Throughout the conference, we want you to stay engaged, keep us proactive and help us to shape the future of the nonprofit sector.

Best regards,

Børre Hagen
Norwegian Control Committee for Fundraising
